Affiliation: Vilnius University, Lithuania

**Dr. Smaranda Belciug**

Email: [sbelciug@inf.ucv.ro](mailto:sbelciug@inf.ucv.ro)

Affiliation: University of Craiova, Romania

**Acad. Janusz Kacprzyk**

Email: [Janusz.Kacprzyk@ibspan.waw.pl](mailto:Janusz.Kacprzyk@ibspan.waw.pl)

Affiliation: Polish Academy of Sciences, Poland

#### Book Chapters information:

This book is a collection of chapters dedicated to Academician Florin Gheorghe Filip, outstanding Romanian scientist in the Decision Support Systems field. The papers are focused mainly on the Decision Support Systems, Large-scale Complex Systems, Decision Making, Control Systems, Automation, Autonomous Systems, Biological Systems. Nonlinear Systems, Power Systems, Robotics, Social Systems, Economic Systems are under consideration as well. Specific issues dealt by advanced computer simulation techniques are also included. Different results of theoretical investigations are discussed in view of experimental observations. Promising lines for future research are outlined.

#### Manuscript submission information:

- submission of a proposed contributions with the titles of the papers and short abstracts – by **March 15, 2023**
- a preliminary acceptance with instructions for the preparation of the typescript – until **March 31, 2023**
- submission of full papers (in Word or Latex) according to Springer's instructions – until **May 15, 2023**.
- submission of the final typescript - until **June 30, 2023**.

**The book's submission platform Easy Chair is now available for receiving submissions to this Edited Book: <https://easychair.org/conferences/?conf=dss2023>**

Please use Springer's guidelines and technical instructions for the preparation of chapters:
